ADVENTURE WITH A PURPOSE

Our Mission is to challenge, mentor, and teach youth

about life through outdoor adventure and nature

programs that build confidence, character, and hope.

Welcome to Camptown

The experience of a Camptown wilderness adventure goes well beyond just having a good time. Camptown provides an adventure with a purpose. Staff-led hiking, canoeing, camping, whitewater rafting and nature experiences teach youth about themselves and nature.

"I can do things I really thought I could not."

—Student

Youth grow individually and collectively while:

- Practicing leadership and communication skills
- Taking on new responsibilities
- Practicing problem solving skills
- Learning to work with peers
- Learning to trust others

*"I learned not to give up as much,
I'm going to challenge myself."* —Student
